We are happy to announce that our 12th Annual Austin Asian Occasion (AAO) event on Saturday, May 25, 2019 at 3 p.m. at the Asian American Cultural Center has chosen to support the mission of Dell Children's Medical Foundation, the "Heart to Heart" project. They have offered free heart surgery to children from Asian countries.

About the organizers: Asian American Cultural Center (AACC) was founded in 2000 and its mission is to provide the facilities, expertise and unique space for the sharing of culture between the East and the West in the American Experience. We achieve our mission through educational seminars and our multicultural early care and education Program, The Magic Dragon School. AACC is located at 11713 Jollyville Road, Austin, Texas.
